Summary of Complaint

Five years ago after being released from pike  
(P.O.)

County jail. Childs mother Windy K. Higgs informed me about a rape, Bobby Welch an 13 people with masks naturally concerned I tried to help 1st day out of jail, Flashing fluresent lights, gang stalking, 3 dark SUVs in military formation, photo tracking, She complained of these an much more excruciating experiences myself, plaintiff, being man of God thought Spiritual. Leaving daughters at westbrook 3am walked down that long stretch to Mc. Donalds 4guys in lobby, 3 behind counter working plaintiff and Windy K. Higgs, made 9 people 2 oldmen said "Im bringing her down!! Loud!" over an over. I got up said "How you going bring her down when Ima bring her up with me!!" Then said who you talking about? one said my wife, Windy being the only woman. One, said To and Fro, then the other said Here and there. I then said sit down your upseting my wife. A fat guy reading newspaper said "There was a guy living in a tent on the side of the road, he got hit by a car wasnt a big deal he wasnt going to amount to anything." I got up Windy grabbed my arm I hesitated The Guy said oh by the way she

sold her soul for \$3,000. Ran get  
 into a yellow Corvette. Now plaintiff, kept  
 Ms. Higgs with him about 2 months. These  
 experiences never stopped in fact progressed  
 into a power struggle between this Bobby  
 Welch proclaiming his self to be devil,  
 so I became Micheal. As if I WAS ACTING  
 IN DANTE'S inferno Divine Comedy. Street theater,  
 stalking progressed. I went to small Baptist  
 church off covert an weinbach the pastor lives  
 next door when I explained my situation  
 an told him who my grandfather Percy F.  
 Brennenan an James E Mason an father in-law  
 Ronald Higgs he started crying saying  
 you were put on list because of gang  
 involvement and being sex offender. One  
 name given was Sgt. Rolano, here at  
 Vanderburgh jail. Harrassment increased,  
 Sheriff dept. receptionist I was told to  
 "be careful people are missing." E PD  
 when I brought canister down town pushed  
 button on fence police came out hurried  
 raised arms up said "I dont want  
 nothin to do with that!" Then he said  
 through it in sever. Cameras prove this.

Frequency harassment, Feeling of being  
 zapped with electrical current, thoughts  
 of Audiotory hallucinations, being told  
 over, an over to drop my lawsuit  
 here in Vanderburgh County goes against  
 our constitutional freedoms to be  
 secure in person, home 14<sup>th</sup> and 7<sup>th</sup>  
 amendment rights, mental anguish,  
 thought theft from ideas, inducing extreme  
 paranoia, people tracking through phone  
 dog tag, hackers can hack these chips,  
 I seen the program for one 60% BGBP  
 maybe because my grandmother Ora Louise  
 Brevenman. 5 years these they(s) and them(s)  
 stole my life only focusing on whispers  
 Cars tracking, people random taking pictures  
 trying to set one up for a crime you  
 never even committed. Twice I was  
 one on an Alicia Rowland, Then a  
 church I never broke into was hit by  
 a car went for help knocked on door  
 it was left open. Jacklyn Buente never  
 came to see me but 2 times in 9 months  
 then one day called in to Bench trial  
 I asked what our strategy was

She in fact replied, "I told you you were going to lose"; this is on record court mins I admittedly asked judge pigman to procede pro se. He said "Mr. Breneman that is almost always UNWISE" and denied me. I replied "I see Im being rail roaded forced to take a plea." this is all on court mins. Being Followed around by school buses #170, 69 also the same cars Ken., Florida, Cali, Ohio. This game targeted individual is very dangerous where they try to lock the target up for false charge, Brainwash to Kill one self, make target angry enough to Kill some one else. Or extreme case, Kill the target. Drone surveillance, fly green disks being sprayed with R-12, R 13, IN Jail and also on the street, Money is usually motive behind this game. Also being placed on tic tac without permission, RFID chips Remotely Fly Drones, by a controller, For tracking purposes in sick Marshall games. There purpose is to get rid of undesirable people, homeless

Sex offenders, also gang members, become subject to there entertainment. Bobby Welch getting research chemicals also very inexpensive R.F.I.D. chips for penny(s) Dr. Culley also Dr. Linsey also participate in selecting participants for these programs. When someone experiences problems they cover-up by labeling Schizophrenic or mentally disable. These targets are people mostly with problems unwanted here in Evansville I.N. These test subjects are randomly sought people without family ties. These treatments goes against OUR constitutional freedoms pursuit of happiness God given rights to choose our own destiny. Slavery was abolished years ago this is a new form through Controller. In close I seek compensation in form of \$750,000 from each party.

I affirm the above afforemented to be truth before Almighty God.

I Herbert F. Breneman certify on this day of Sept. 7<sup>th</sup> year 2021 I served the foregoing.
